

Heaven Help Us All

Ron Miller (Stevie Wonder)

Heaven help the boy who never had a home
Heaven help the girl who walks the streets alone
Heaven help the roses if the bombs begin to fall,
Lord, Heaven help us all.

Heaven help the black man if he struggles one more day - **one more day**
Heaven help the white man if he turns his back away - **back away**
Heaven help the man who kicks the man who has to crawl,
Heaven help us all.

Heaven help us all, heaven help us all, help us all.
Heaven help us all, hear my call when we call. Oh, yeah!

Heaven help the boy who won't reach twenty-one,
Heaven help the man who gave that child a gun.
Heaven help the people with their backs against the wall,
Lord, Heaven help us all.

Heaven help us all, heaven help us all, help us all.
Heaven help us all, hear my call when we call.

We need You to help us all. Ooo

Partie parlée

*I want everybody within the sound of my voice this evening to
fall down on your knees, And say a prayer
Askin for His guidance His grace, His mercy, You might want to say :
Lord, Lord, Lord have mercy*

Now I lay me down before I go to sleep.
In a troubled world, I pray the Lord to keep, keep hatred from the mighty,
And the mighty from the small,
Heaven help us all,

Heaven help us all, heaven help us all, help us all, } x 2
Heaven help us all, hear my call when we call. }
Heaven help us all
