

# I Won't Go Back

William McDowell

*Solo* + Chœur

I've been changed, healed, freed, delivered *to heal : guérir - freed : libéré*  
I've found joy, peace, grace, and favor

*I've been changed*, I've been changed  
*In the presence of the Lord, I've been*, healed, *freed* freed, *delivered* delivered

*In your presence Lord*  
I've found joy, peace, *grace* grace, *and favor* and favor

*And right now* right now is the moment, *today* today is the day  
*I've been changed* I've been changed x2  
*And I have waited* I have waited for this moment to come  
And I won't let it pass me by...

*So we say*, I won't go back, can't go back, to the way it used to be  
Before your presence came and changed me, *say I won't*,  
I won't go back, I can't go back, to the way it used to be  
Before your presence came and changed me

All my shame , guilt, sins, *they've been forgiven* forgiven  
No more chains, fear  
*My past* my past *is over* is over

*Say right now* right now is the moment, *today* today is the day  
*I've been changed* I've been changed  
*Come on someone declare that, I've been changed* I've been changed  
*And I have waited* I have waited for this moment  
*This moment right here I have waited all my life* to come  
And I won't let it pass me by... Hey hey hey

*So we say*  
I won't go back, can't go back, to the way it used to be  
Before your presence came and changed me  
*Would you lift up your voices as loud as you can and say?*  
I won't go back, I can't go back, to the way it used to be  
Before your presence came and changed me  
*Come on, somebody, lift your voice and declare it and say*  
I won't go back, I can't go back, to the way it used to be  
Before your presence came and changed me  
*Somebody say... I won't go back, say*  
I won't go back, I can't go back, to the way it used to be  
Before your presence came and changed me,

Never going back, I'm never going back, never going back to the way it was

I won't go back, can't go back, to the way it used to be,  
Before your presence came and changed me
