

Jesus Is Here To Stay

Sister Rosetta Tharpe

*Let us pray pray pray
Let us pray pray pray
And give thanks unto the Lord
We're going to glory
We'll fall down on our knees
Coz Jesus is here to stay*

Let us pray pray pray
Let us pray pray pray
And give thanks unto the Lord
We're going to glory
We'll fall down on our knees
Coz Jesus is here to stay

*Let us sing sing sing...
Sing sing sing
For I know He's here to stay
I can feel him in my soul
'Cause he has made me whole
And Jesus is here today*

Sing, sing, sing,
Sing, sing, sing,
He's here to stay
oo...
oo...
Is here today

Instrumental

*Let us shout shout shout
Let us shout shout
Let the world know just what it's all about
He rose from the grave
My soul He has saved
'Cause Jesus is here to stay*

Let us pray pray pray
Let us pray pray pray
And give thanks unto the Lord
We're going to glory
We'll fall down on our knees
Coz Jesus is here to stay

*Let us march march march,
March, march, march,
To the altar of the Lord
We'll sing his praises aloud
And shout, with the crowd
Coz Jesus is here to stay*

March, march, march,
March, march, march,
Altar of the Lord,
oo...
oo...
here to stay

*Let us pray pray pray
Please pray pray pray
And give thanks unto the Lord
We're going to glory
We'll fall down on our knees
Coz Jesus is here to day*

pray, pray, pray,
pray, pray, pray,
Unto the Lord
oo...
oo...
Is here today
