To belove with  
The goody gospel singers,  
True bell ringers who stayed  
Aside singing like this :

People who that is?

That's just Joshua!

( Not brought in pastor  
For my leader)

Quicken up the decibels  
Drumming up the leader  
Making crack in the walls

Tell me can you see

That people God stop  
March and they march

Until their bell drop  
God say don't stop

Yeah you know the story people

Shouting : "Glory Halleluyah"

all walking round

The walls to their fall.
