

OH! MARY DON'T YOU WEEP

Gospel traditionnel

OOOH! I'm singin' Mary
Martha don't have to mourn.
Listen to me Mary,
Martha don't have to mourn.
Pharoah's army,
They got drowned in the sea one day.
But Jesus said Mary,
Your little sister don't have to mourn no more.

Now can I get a witness, he said Mary,
Martha don't have to mourn.
It may be somebody sick today.
Ther's somebody here and he got no home.
But listen Pharaoh's army,
they got drown in the sea one day,
But I believe a man said Mary
Your little sister don't have to mourn no more.

Now listen, if I could right now,
I wanna tell you that I surely would now,
Put my foot on the rock too,
Stand on the rock where mooses stood one day,
Because Pharaoh ' army,
That was the Bible said, they got drowned in the sea,
But I believe the man said Mary,
He said Mary,
He said Mary.

Soon over the land, we all gonna have to walk.
You won't have to give up life along no more.
And Mary could have been a little hard to hear,
And I believe Jesus said : "I will call a little louder".
Mmmh! Mary.
I wish I had somebody to help me call Mary
Yeah Mary, Yeah, yeah, yeah, Mary.
I'll be your bridge over deep water, if you trust my name.
Oh! I feel rockin' and wheelin'
I don't believe she heard you,
You'd better call Him again
Yeah Lord, tell Martha don't have to mourn no more.
