## Traditionnel

Take me and dip me. in the water  
Like John did to Jesus one day  
Take me and dip me in the water  
Wash all of my sins away

### **Soliste**

*I know I got good religion  
Of this I'm not ashamed,  
I was standing right now  
At the table  
When the angels signed my name  
Oh !*

No - no - no - no - no you can't see, see God

Take me and dip me. in the water  
Like John did to Jesus one day

Wash all of my sins away
